The next regular meeting of the PHA is Sunday, July 19, at 2:30 in the basement of the Pintlala Baptist Church.

We are looking forward to a presentation by Dr. David Chase, an archeologist currently teaching at AUM. He will be sharing with us information concerning Indians that lived in the Pintlala area. His information is based on several "digs" conducted in our area. This should be a fascinating afternoon.

Please bring any historical data, trivia, picture and document COPIES to the Pintlala Library. Filing is done regularly, and we are building a good collection.

Please let Susan Brown or Alice Carter know when your project group is ready to share any research that has been done in your Interest Area. If you have not been assigned to a group please let Mrs. Todd know.

Mrs. Ethel Todd is interested in any information regarding JAMES BONHAM, a Montgomery County native who died at the Alamo on March 6, 1836. She is also curious about the WARNER family buried in the Bonham Cemetery.

The SONS OF CONFEDERATE SOLDIERS will furnish markers for the graves of persons who died in service to the Confederacy. Please see Mrs. Todd for more information. She also has the names of persons who will clean cemeteries and tombstones if you need this service.

Thank you to JACK HORNADY for donating paper for anyone interested in tombstone rubbings. This paper is at the Library.

Please be sure that you are a chartered member of the PHA by paying your dues before the September meeting. Chartered membership is available to those who have paid by that time. See Ricky McLaney at the July meeting if you have not paid your dues. They are: \$5.00 family membership fee and \$5.00 annual family dues, retroactive to January 1987.
