The Butler County Historical Society warns its members this month that a company called American Genealogies, Inc. is soliciting orders for genealogical books. The Elizabeth Ross mentioned is the same as Beatrice Bayley whose Family Heritage Books were a rip-off. They warn members not to waste money on these publications.

The Montgomery Genealogical Society is sponsoring a genealogical workshop at AUM on November 21, 1987, 8:00 A.M.- 4:00 P.M., to be conducted by highly acclaimed genealogist Elizabeth Shown Mills. Pre-registration fee is \$12.50, \$15.00 at the door. Call Mr. Benny J. McDaniel for further information: 277-4505.

SEPTEMBER MEETING - notes from minutes

The last meeting was held on September 20 with 56 persons attending the short business meeting preceding a Dedication Service at the Mosley Tankersley Luckie Supple Cemetery. Mrs. Todd introduced newcomers and expressed appreciation to Laurie Sanders for contributions to the files, to Carolyn Shelton, Louise and Harold Newell and the Montgomery City County Library Association for making it possible to install a copier machine in the library and to Lurline Hall for many hours cataloging the files. A special "thank you" was extended to Rev. Gary Burton and the Pintiala Baptist Church for the use of the meeting room. The members were requested to list their research projects. Ancestor charts were made available so family history research can be shared. These will be indexed when enough have been received.

The president reviewed the Articles of Incorporation and requested that all those who have not signed them should do so to be eligible for charter membership status.

A number of reports were submitted for the files. Ideas for designating and preserving historic buildings were discussed. Bill Alverson volunteered to locate additional information for a future meeting. The meeting adjourned to the MTLA Cemetery where a program was presented by Gary Burton, George Mosley, and Jim Edwards to dedicate the gravesite of Moseley family graves recently moved from the Kilby location. M.M.S.
